Growing Arizona’s Entrepreneurial Ecosystem

The ASU Startup Accelerator runs two six-month accelerator cycles each year. Two cohorts run in parallel during each cycle—one for faculty spinouts and one for non-ASU startups. Up to 12 startups total are accepted into each cycle.

Ventures accepted into the ASU Startup Accelerator receive:

- Connections to more than 300 mentors with extensive experience
- Access to exclusive training opportunities, including the Entrepreneurship and Innovation Group’s Rapid Startup School
- Access to collaborative workspace at ASU SkySong
- Access to services from companies such as Google, Microsoft, RackSpace and the Global Acceleration Network at no cost
- The opportunity to participate in an investor demo day with private equity investors, venture capitalists and angel investors at the conclusion of the accelerator cycle

WHO: The ASU Startup Accelerator is open to new or recently formed startup teams based in Arizona, including ASU faculty spinouts, ventures launched by ASU alumni and companies whose founders have no affiliation with ASU.

WHEN: There are two six-month accelerator cycles each year.

WHERE: The ASU Startup Accelerator is based at ASU SkySong, where companies have 24/7 access to dedicated office space.
