https://wpcarey.asu.edu/undergraduate-degrees/high-school/fleischer-scholars-summer-program
Fleischer Scholars provides deserving juniors who will be graduating from Arizona high schools in 2017 a great opportunity to experience college life, entrepreneurship, and business during a week-long residential program. The program is tailored for economically disadvantaged Arizona high school students interested in pursuing business as a career.

Who: Current high school juniors Cost: Free Hours: Residential Dates: Deadline is April 25th Program dates are June 13-17th or July 11th-15th Where: ASU Tempe Campus

Seed Spot NEXT
http://www.seedspotnext.org/summer-program.html
The 5-day summer NEXT program is a jammed packed, crash course on launching your dreams! Come discover a new way to solve problems you care about through entrepreneurship. The program is designed to inspire and empower you to make a difference! You will meet other social entrepreneurs, iterate on entrepreneurial ideas, be supported by mentors, hear from experts, refine your ideas, hang out with cool people, and have fun...we may be biased...but it is SERIOUSLY awesome.

Who: High school students Cost: $500 Dates: June 27-July 1, 2016 Where: SEED SPOT, 2828 N. Central Ave. Ste 700, Phoenix, AZ Hours: 9am-4pm, Lunch provided daily from local restaurants

Summer of CO+DE
https://cohoots.com/summer-of-code/
Co+Hoots Foundation and Code AZ
Students will ideate a product, build teams and work with their peers to transform an idea into a real product. Summer of CO+DE places students in a true-to-life start up environment and provides them with mentors who will help these budding entrepreneurs work toward their finished product.
